Sewer Expansion Betterment Assessment Workshop – May 2nd

Kittery, ME: The Town Council has scheduled a workshop on Monday, May 2nd at 6:00 pm to be held at the Kittery Community Center. The workshop initially scheduled for April 25th has been changed to this date in order to provide sufficient space and time for the Town Council to present information and review any concerns expressed. If specific questions are desired to be answered during the workshop, residents are encouraged to submit them prior to the meeting.
